### Confirmation: Possibility of Late Arrival (Winter Semester 24/25)

To whom it may concern,

This is to confirm that students who have been admitted to our master's program in Medical Engineering for winter semester 24/25 and cannot travel to Erlangen until the start of the lecture period (October 14 2024) are offered the possibility of **late arrival until November 15 2024** at the very latest. Arrival after this date is not possible, as it impedes students' academic success.

Enrollment is carried out via post and does not require students' presence.

Enrollment period for winter semester 2024/25: **end of July - September 30 2024**

Start of winter semester 24/25: **October 1 2024**

Start of lecture period winter semester 24/25: **October 14 2024**

Regular duration of the Master's program in Medical Engineering: **4 semesters**

Expected graduation date for students starting in winter semester 24/25: **September 30 2026**

Kind regards,

Claudia Barnickel
